

## Quality Policy

It is the policy of Priority Drilling Limited to consistently fulfil the requirements of the ISO 9001:2015 standard and ISO9001:Cita 9B and to meet or exceed the reasonable expectations of our customers.

This is achieved by:

- prioritising customer service;
- providing a high standard of service;
- professionally delivered training by qualified staff;
- utilising a formal process of setting and achieving company objectives;
- provision of training to ensure the availability of the most up-to-date service.

It is company policy to deal efficiently and effectively with all customer concerns regarding quality and service, and to resolve issues as far as possible to the satisfaction of its customers.

All employees of Priority Drilling Limited are committed to the Quality Management System and to ensuring our service is delivered effectively and continuously improved upon, to ensure customer satisfaction at all levels. Management is committed to providing safe working conditions and to fostering the personal development of employees through their work.

The effectiveness of Priority Drilling's Quality Management System is maintained and continually improved through teamwork and the commitment of all staff. Quality objectives are established and reviewed annually, taking account of market requirements.

This policy is included in the company Safety Statement and will be reviewed at least annually.
